

Specification Sheet

Acoustic Plasterboard (Half-Size)

- 1200mm x 1200mm x 12.5mm
- 15 kg per board
- £4.75 per board +VAT

This is an acoustic alternative to standard plasterboard. The density of the boards is higher than that of standard plasterboard. Class 'O' Acoustic Plasterboard for use on walls and ceilings.

Due to sheet size deliveries will incur a slightly higher delivery charge and would need to be ordered over the telephone. Please call us on **(01423) 339163**.
