

# Soundproofing System Quantities

## Wall System 2

Quantity of materials supplied with this soundproofing system. Order over 20 sqm by adding additional combinations. For example, to order 35 sqm of this system, you can add 20m and 15m to the basket. These calculations have been based on a room's average height of 2.4 metres. If you are unsure of the quantities you require or need to alter the number of materials you need, you can order extra materials online or give us a call to discuss your options. Call 01423 339163.
